Client Responsibilities

Please arrive on time for your appointments. Counseling sessions are 50 minutes in duration. If you need to cancel an appointment for any reason, a 24 hour cancellation notice is required, otherwise you will be charged the full fee for a missed session.

Therapy can often times be challenging work. The amount of sessions a client needs is often times determined by both the client and the therapist. Please consider coming to therapy as an important commitment in your life.

Payment is due at the time of your appointment. Cash, check and credit cards are accepted. Presently I am on Blue Cross/Blue Shield and Humana insurance panels and will file your claim for you. You will be responsible for your copay at the time of your appointment. Some insurance companies will pay for out of network services.

Fees

The fee for counseling is \$100.00/ session.

Sliding scale fees are provided on an as-needed basis and are to be discussed with me at the start of therapy.
